2020

YEAR IN REVIEW

THE YEAR OF OPPORTUNITY

It's been said that opportunity often comes in the form of adversity. 2020 proved that to be true. Through one of the most challenging years, we saw Jesus take our adversity and turn it into an opportunity: ***Online Campus, Phase 2 Expansion, Preschool, Care Initiative,*** people getting saved and so much more that we can't even see!

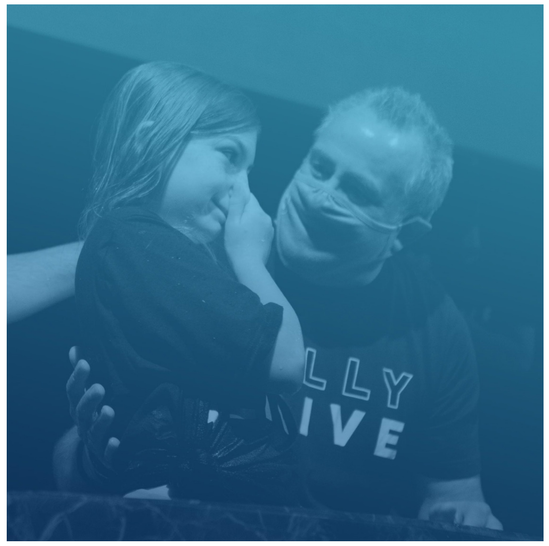
NEW FAMILIES



*I joined a **LifeGroup (LG)** on 9/2018 and knew I wanted to lead a group of women in my home shortly thereafter. I started leading on 9/2019. I am blessed to lead and serve in this way. We have pulled together food for others when needed, we have driven each other home from hospitals, prayed through health crises and scares. **I'm so grateful for my group and the opportunity to open my home to them.***
